REQUEST FOR CORRECTION OF ERROR IN IMAGE FILE WRAPPER

In reviewing the Office Action dated 05/19/2006 and the Image File Wrapper on PAIR, Applicants believe that the PTO has erroneously scanned-in a co-pending application, which was cited in an Information Disclosure Statement, as the application which was filed on November 24, 2003. The IDS was filed along with the original application and included a copy of the co-pending application.

Applicants' representative, Joseph Jong, telephoned Examiner M. Dwivedi regarding the error, and on August 9, 2006, Examiner M. Dwivedi indicated via telephone to Applicants' representative that the Office Action dated 05/19/2006 would

be withdrawn and would not require a response from the Applicants. Furthermore, Examiner M. Dwivedi has requested that the Applicants submit a copy of the specification, claims, abstract and drawings which were originally filed on November 24, 2003 for examination.

Applicants hereby submit a copy of the specification, claims, abstract and drawings which were originally filed on November 24, 2003, and request that the Examiner examine the application based on these documents. Applicants also request correction of the error in the Image File Wrapper such that the specification, claims, abstract and drawings reflect the documents submitted herewith.

Respectfully submitted, and
S-signed pursuant to 37 CFR 1.4,
